Computer Labs

Provided by Information Technology — open to the entire NMSU community.

- **Hardman & Jacobs Undergrad. Learning Cntr.**
- **Pete's Place:** Corbett Center, 2nd floor

General-Use Stations

Informations Technology's general-use stations are small computer clusters in areas across the main campus.

- Breland Hall, Lobby
- Health & Social Services Building
- Frenger Food Court
- Gerald Thomas Hall, Room 157

Equipment Rental Program

Requirements

- Must be an active student of **NMSU Main Campus** or **DACC**.
- Student renters must provide a valid **Aggie ID** & class schedule for current semester.

Reservation/Return Form

inside.nmsu.edu/studenttech/equiprentalreserve

Located in HJLC room 103.
Email: stpequiprent@nmsu.edu
Phone: (575) 646-6858

Digital Signage

A fun and engaging way to share information across campus! Our network of HD screens helps promote upcoming events & important announcements to NMSU students, faculty, & staff.

It's **FREE** for all NMSU departments & chartered student organizations

For details visit:
digitalsignage.nmsu.edu

Aggie Printing

Each semester, Las Cruces campus students are given an allotment of printing funds that can be used at any of the printing stations located around campus.

The first half is deposited the first day of classes and the remaining balance is deposited after the census date for NMSU. To use the printing funds, students will need their **Aggie ID**.

If you encounter problems accessing your funds, please reach out to **ID Card Services** at **(575) 646-2306** or **idsvs@nmsu.edu**.

Software

Information Technologies (IT) manages & tracks large-scale site licenses so colleges, departments, faculty, staff, & students save money on key computer software.

We provide the ability to purchase software licenses for any software that doesn't conflict with those available.

Below is a list of some of the available software:

- Adobe
- ArcGIS
- Dropbox
- Grammarly
- JMP
- Matlab
- Microsoft
- NVivo
- SAS
- SPSS
